Dear Dr. Fiori:

The Defense Nuclear Facilities Safety Board (Board) requests that the Westinghouse Savannah River Company (WSRC) conduct refresher courses in *Consolidate Annual Training (CAT)* and *Radiation Worker Training (RWT) II*, in our Washington, D.C. office on January 8-9, 1997. The Board will reimburse the WSRC instructors for authorized travel expenses.

The Board staff appreciated the outstanding performance by the WSRC instructors in January 1996, and look forward to another such experience.
