Dear Mr. Chairman:

LETTER OF APPRECIATION FOR DAVID GROVER

The U.S. Department of Energy, Office of River Protection (ORP), offers its appreciation to David Grover of your technical staff. He was a Hanford Site Representative from September 2000 to October 2005. ORP wishes David success in his new assignment.

David served as back-up to the ORP Site Representative, Mark Sautman. His contributions significantly enhanced quick resolution of safety issues in support of ORP's mission and I commend him for his service to the River Protection Project.

Sincerely,

  
for Roy J. Schepens, Manager  
Office of River Protection
