

Department of Energy
National Nuclear Security Administration
Washington, DC 20585

August 7, 2006

The Honorable A. J. Eggenberger
Chairman
Defense Nuclear Facilities Safety Board
625 Indiana Avenue, NW, Suite 700
Washington, DC 20004-2941

Dear Mr. Chairman:

The purpose of this letter is to forward the enclosed National Nuclear Security Administration (NNSA) list of facilities that will complete a Safety Related Ventilation System Evaluation in accordance with the Department's Implementation Plan (IP) for Defense Nuclear Facilities Safety Board Recommendation 2004-2, *Active Confinement Systems*. The list itself is Deliverable 8.6.1 of the IP. The list has been reviewed and accepted by the NNSA Central Technical Authority and Chief, Defense Nuclear Safety.

If you have any questions or comments, please contact Rick Kendall at (301) 903-3102.

Sincerely,

Thomas P. D'Agostino
Deputy Administrator
for Defense Programs

Enclosure
