Douglas E. Hintze
Manager, Los Alamos Field Office
Environmental Management
Los Alamos National Laboratory, MS-M984
P.O. Box 1663
Los Alamos, NM 87545

Dear Mr. Hintze:

We invite you to appear and provide testimony at a public hearing¹ on DOE's interface with the Defense Nuclear Facilities Safety Board. The Board plans to hold the hearing in February 2019 in Albuquerque, NM.

The format for this hearing will include time for you to respond to questions from Board Members. Please be prepared to discuss your perspective on the implementation of DOE Order 140.1, *Interface with the Defense Nuclear Facilities Safety Board*, including the Board's access to information, facilities, and personnel, as well as potential impacts to the Board's Resident Inspector program. The Board will post the agenda for the hearing on its web page, www.dnfsb.gov. We will keep you apprised of the hearing date and agenda changes as preparations are finalized.

The Board looks forward to your participation. Please inform the Board by December 7, 2018, of your availability to participate. Please contact Mr. John Pasko (202-694-7117) or Mr. Christopher Roscetti (202-694-7169) should you have questions or to make necessary arrangements for your attendance.

Yours truly,
