

Dan Glenn, Manager, Pantex Site Office, DOE/NNSA

Dan Glenn is responsible for administering the Management & Operating contract for Pantex while ensuring day-to-day operations are conducted in a safe, secure and environmentally sound manner. Prior to coming to Pantex, Mr. Glenn served in the NNSA's Albuquerque Operations Office Weapons Program Division. Mr. Glenn worked for eight years at DOE's Los Alamos Area Office as the Senior Safety Advisor and Assistant Area Manager for Facility Operations. He has also held several engineering management positions at the Savannah River Operations Office. Mr. Glenn is a former U.S. Navy Engineering Readiness Officer and Line Officer. He holds a bachelor's degree from Pennsylvania State University and a master's degree from the University of New Mexico, both in nuclear engineering.
