

## **Biography**

### **Camille Yuan-Soo Hoo**

Camille Yuan-Soo Hoo was appointed the Livermore Site Office Manager in December, 2002 for the National Nuclear Security Administration of the U.S. Department of Energy. She is responsible for the operations, oversight and contract administration of Lawrence Livermore National Laboratory. With a federal staff of approximately 106 FTEs, she performs federal oversight of safety, security, infrastructure, environmental management, and business and contract management of the multi-program laboratory with an annual budget of approximately \$1.5 billion.

From May 2000 to December 2002, Ms. Yuan-Soo Hoo was the Manager of the U.S. Department of Energy's Oakland Operations Office (OAK). As Manager of DOE/OAK, Ms. Yuan-Soo Hoo was responsible for approximately 330 federal employees in an office with an annual budget exceeding \$2 billion. The principal mission of DOE/OAK was to serve the public by performing Department of Energy contract management. Activities included contract administration, site management and overseeing operations of three California National Laboratories (Lawrence Livermore National Laboratory, Lawrence Berkeley National Laboratory, and Stanford Linear Accelerator Center).

From 1992 to 2000, Ms. Yuan-Soo Hoo served as the Field Chief Financial Officer and Business Manager at OAK. In this capacity, she provided leadership and direction for OAK in the areas of Budget, Finance and Accounting, Business Evaluation, Information Management, Personnel Management, Contractor Industrial Relations, and the Financial Assistance Center. As the Field Chief Financial Officer and Business Manager, she was responsible for implementing financial and business policies and procedures for OAK and its contractors.

Overall, Ms. Yuan-Soo Hoo has more than 23 years of experience in DOE financial and business management at the Oakland and Richland Operations Offices. Ms. Yuan-Soo Hoo began her career in 1976 at the Richland Operations Office as a Budget Analyst. She has held progressively responsible management positions in DOE and NNSA.

Additionally, throughout her career, Ms. Yuan-Soo Hoo has performed various details to executive positions at OAK and served on various Department-wide task forces dealing with Financial Management, Business Management Oversight, Strategic Alignment Initiatives, etc.

Ms. Yuan-Soo Hoo is a 1976 graduate of the University of Washington with a Bachelor's Degree in Business Administration. She is also a graduate of DOE's Fifth SES Candidate Development Program in 1994.

**(December 2003)**
